

I am honored to publicly endorse Eric Seely, who stands firmly on the unchanging truth of God's Word, especially in the defense of the most vulnerable among us; the unborn.

Scripture is clear that life is not a human invention, but a divine creation. As it is written in Psalm 139:13–16, *“For you formed my inward parts; you knitted me together in my mother’s womb... your eyes saw my unformed substance.”* Every child in the womb is known, formed, and valued by God. To defend that life is not merely a political stance. It is a moral and biblical responsibility.

Eric recognizes that the shedding of innocent blood grieves the heart of God (Proverbs 6:16–17) and has taken a clear, courageous stand for the abolition of legal abortion. Not simply its regulation, but its complete end. In a culture that often compromises truth for convenience, this kind of conviction is both rare and necessary.

What sets Eric apart is not only his position, but his foundation. He understands that justice is not defined by popular opinion, but by the righteousness of God. As Proverbs 31:8–9 commands us, *“Open your mouth for the mute, for the rights of all who are destitute... defend the rights of the poor and needy.”* There are none more voiceless than the unborn, and Eric will speak for them. I believe he will heed the call to uphold both justice and mercy, as Micah 6:8 reminds us.

I wholeheartedly support Eric because he does not waver where it matters most. He understands that leadership is stewardship before God, and he is willing to stand for righteousness even when it is costly.

Eric is only the second candidate I have ever formally endorsed as it is rare to find someone with true integrity running for political office. For the sake of the unborn, for the sake of justice, and for the glory of God, I am endorsing Eric Seely.

Sincerely,

Pastor Benje Graves
